

TOLKO T-STRAND™ OSB RESIDENTIAL SHEATHING

At Tolko, we've built our reputation on quality products, customer commitment and an unwavering integrity in all that we do. We strive to partner with our customers, building long-term relationships and helping fuel their ongoing success. We focus on making it easy for our customers to do business with us, providing product quality and consistency and delivering the goods on time, every time.

Tolko T-STRAND™ OSB Residential Sheathing

We know your working conditions are unpredictable but your OSB product performance doesn't have to be. Tolko manufactures both standard and high performance roof and wall sheathing: [Tolko T-STRAND™ OSB Sheathing](#) and [Tolko T-STRAND™ Pro OSB STR 1 Sheathing](#). Both are made with moisture-resistant adhesives which means you have one less thing to worry about. Each of these products can lay claim to the following:

- manufactured to exacting specifications from renewable, recyclable and biodegradable forest resources
- uses Canadian Aspen wood fiber to produce superior OSB products that are lighter, more durable, and produced to industry standards, meeting customer expectations
- certified by APA-The Engineered Wood Association
- backed by industry-standard warranties
- competitively priced offering unbeatable value

Tolko T-STRAND™ OSB Sheathing Products offer performance, durability and value. They can make your job easier. We trust our panels to support your needs and perform. We are proud to offer you our Tolko T-STRAND™ OSB roof and wall sheathing products. They are tough. They are tested. They are Tolko.
