

MSR LUMBER: DESIGN VALUES YOU CAN COUNT ON

Order your Tolko Machine Stress Rated (MSR) Lumber with confidence. Each piece is machine stress-rated to ensure structural performance characteristics. Tolko MSR Lumber is the lumber you depend on with the strength you trust.

Consistent Quality

Every piece of MSR lumber is machine stress-rated for structural performance characteristics so you can have confidence in each piece.

Advanced Technology

Our automated grading technology assures product consistency with tight controls on wane and warp.

International Standards

Testing equipment is calibrated to international standards to meet the needs of our customers around the world.

Internationally Recognized

Tolko MSR Lumber is tested with an internationally recognized, continuous, time-tested statistical process control system.

Third-Party Monitoring

MSR is continuously monitored by third-party agencies, American Lumber Standard Committee (ALSC) and Canadian Lumber Standards Accreditation Board (CLSAB).

ORDER WITH ASSURANCE. BUILD WITH CONFIDENCE.
