BRINGING TOLKO PRODUCTS TO YOUR MARKET

We pride ourselves on being easy to do business with by searching for innovative solutions, identifying new opportunities, and investing in our customer relationships. Our T-LINK Product Distribution Network puts us closer to our customers ensuring quick delivery and a consistent supply of Tolko products to the Off-Site Construction Industry. Ask us about mixed truck opportunities offering multi-product shipments out of our T-LINK locations throughout North America.

SUSTAINABLE FOREST MANAGEMENT

We manufacture our products from renewable, recyclable and biodegradable resources, and our practices are guided by our Forest Management Principles and Environmental Policy. We also adhere to globally-accepted Sustainable Forest Management (SFM) and Chain of Custody (CoC) standards.
