

TOLKO T-STRAND™ OSB INDUSTRIAL, OEM & MULTI-PURPOSE PRODUCTS

At Tolko, we've built our reputation on quality products, customer commitment and an unwavering integrity in all that we do. We strive to partner with our customers, building long-term relationships and helping fuel their ongoing success. We focus on making it easy for our customers to do business with us, providing product quality and consistency and delivering the goods on time, every time.

Tolko T-STRAND™ OSB Industrial, OEM & Multi-Purpose Products

You require different options from your OSB Products depending on your project. Whether you need structural or non-structural top-quality panels, Tolko custom engineers a variety for specialized applications. We can provide you with what you need – tough and tested. All of our OSB Products lay claim to the following:

- manufactured to exacting specifications from renewable, recyclable and biodegradable forest resources
- uses Canadian Aspen wood fiber to produce superior OSB products that are lighter, more durable, and produced to industry standards, meeting customer expectations
- certified by the APA-The Engineered Wood Association
- backed by industry-standard warranties
- competitively priced offering unbeatable value

Tolko T-STRAND™ OSB Products provide a proven solution for residential and light commercial builders and industrial users. We know you have a choice. We trust our panels to support your needs and stand up to rigorous building conditions. We are proud to offer you our Tolko T-STRAND™ OSB Products. They are tough. They are tested. They are Tolko.

TOLKO T-STRAND™ OSB UTILITY PANELS

Uniquely suited for non-structural applications. Ideal for specialty uses that require lightweight, durable, easily workable materials.

Common Uses:

Packaging
Crating
Pallets
Garage lining
Garden sheds
Overlaying roofs
Ice fishing huts

TOLKO T-STRAND™ PRO OSB RV FLOORING

Durable, impact-resistant surface perfect for subflooring motor homes, vans, campers and more. Lightweight to help cut fuel consumption.

Cut-to-size and jumbo panels:

special sizing for quick installation and fewer seams

Moisture-resistant edge sealant:

blue edge seal protects from moisture penetration

Packaging: shipped in woven poly bag protects from the elements

Eco-friendly: contains no added urea-formaldehyde resin (NAUF)

TOLKO T-STRAND™ PRO SIP FACERS

Manufactured to provide strong and durable top and bottom facing "skins" for structurally insulated panels. Ideal for laminating.

Moisture-resistant edge sealant:

blue edge seal protects from moisture penetration

Packaging: shipped in woven poly bag to protect from the elements

Eco-friendly: contains no added urea-formaldehyde resin (NAUF)

COMMITTED TO SUSTAINABLE FOREST MANAGEMENT.

We manufacture our products from renewable, recyclable and biodegradable resources, and our practices are guided by our Forest Management Principles and Environmental Policy. We also adhere to globally-accepted Sustainable Forest Management (SFM) and Chain of Custody (CoC) standards.

Our free [Tolko Product Guide](#) app is available for download. Set yourself up for success by finding the best Tolko lumber, plywood, OSB, and EWP products for each application.
