

TOLKO LSL INDUSTRIALS 7/8"

A VALUE ADDED CHOICE TO HELP ELIMINATE WASTE AND IMPROVE SUBSTRATE PERFORMANCE IN A HOST OF INDUSTRIAL APPLICATIONS.

At Tolko, we've built our reputation on quality products, customer commitment and an unwavering integrity in all that we do. We strive to partner with our customers, building long-term relationships and helping fuel their ongoing success. We focus on making it easy for our customers to do business with us, providing product quality and consistency and delivering the goods on time, every time.

BENEFITS OF TOLKO LSL INDUSTRIALS:

- ✓ **Dimensional Stability** - Our controlled, exact manufacturing process produces a very stable product.
- ✓ **Fastener Holding** - Consistent density yields consistent fastener holding results compared to solid sawn wood. Natural wood has variation which can lead to mixed performance.
- ✓ **Consistency** - Each piece of Tolko LSL Industrials is 100% usable and defect free with quality you can count on. This eliminates the need to cull, sort and cut out defects.
- ✓ **Panel Width** - Increased yield options from wider panel.
- ✓ **Environmental** - SFI certification - manufactured from fast-growing aspen trees.

Purchase Tolko LSL Industrials 7/8"
