

T-STRAND™ OSB PRODUCTS & T-PLY™ PLYWOOD PRODUCTS

CARGO TRAILER PANELS | Engineered to perform. Designed to impress.

At Tolko, we've built our reputation on quality products, customer commitment and an unwavering integrity in all that we do. With our line of mill certified T-STRAND OSB and APA certified T-PLY Douglas-fir Plywood panels we provide a consistent source of panels specifically designed for cargo trailer manufacturers.

Cargo trailers have a tough job and Tolko's T-STRAND OSB Cargo Floor panels are built to work. This enhanced flooring is engineered for strength and durability and will support your trailer to the job-site, into the bush, and across the country.

- ✓ Superior moisture durability
- ✓ Engineered consistency
- ✓ Enhanced fastener holding

Enclose your cargo trailer with the bright white fibres of Tolko's Canadian Aspen wood. T-STRAND OSB Cargo Wall panels strike the balance between strength and weight for a sturdy, lightweight trailer.

The superior face of T-PLY Pro Premium Select/CCPTS gives the interior walls of cargo trailers a smooth, bright finish. These panels strike the perfect balance between durability, strength and a top-quality surface.

T-STRAND OSB | Engineered Consistency

Tolko T-STRAND OSB Cargo Panels provide a proven solution for trailer manufacturers. We start with Canadian Aspen wood fibre to produce superior OSB products that are lighter, more durable, and built to work. The fibre is cut into strands and bonded with moisture resistant resins to optimize the collective strength and consistency of the panel. T-STRAND OSB panels are pressed with intense pressure and temperatures to create a panel with low moisture content and a resistance to warping, swelling, and flaking.

T-PLY Plywood | Natural Durability

Our plywood products are preferred for the consistent cores and superior surface. With improved core veneers and exterior waterproof glue, T-PLY Premium Select CCPTS offers durability and a superior surface ideal for the rugged life of a cargo trailer.

CARGO PANELS			
Grade	Mill-Certified	APA-Certified	Fir Premium Select/CCPTS
Product application	Cargo trailer walls	Enhanced cargo trailer flooring	Cargo trailer walls and floors
