

T-STRAND™ PRO OSB STAIR TREAD

Tolko T-STRAND Pro OSB Stair Treads are engineered to provide exceptional stair systems for residential and commercial construction projects. This product provides a consistently uniform stair tread at the correct dimensions for your project, reducing material waste, construction costs and the need for temporary stair treads.

BENEFITS OF T-STRAND PRO OSB STAIR TREAD

- ✓ Knot-free and stay flat over time with no cupping, splitting, or warping
- ✓ Provides greater dimensional stability than solid-sawn lumber and greater spanning capability than competitively priced composite materials
- ✓ Manufactured to be straight at a consistently precise thickness, resulting in stronger stairs at a better price
- ✓ Bull-nosed profile
- ✓ Easy installation
- ✓ 88 pieces per bundle
- ✓ Meets the APA's Sturd-I-Floor® grade, additional requirements set out in APA Series Guidelines for Stair Treads, and building code requirements including Product Standard PS 2-18
- ✓ Pair with T-TEC LSL Stair Stringer and T-STRAND OSB Riser for an efficient and cost-effective stair system solution
- ✓ Enhanced protection from the elements with our red end seal
- ✓ Backed by Tolko's 50 Year Limited Warranty

Our free [Tolko Product Guide](#) app is available for download. Set yourself up for success by finding the best Tolko lumber, plywood, OSB, and EWP products for each application.

THE ENGINEERED DIFFERENCE

Tolko T-STRAND Pro OSB Stair Treads are easy to install with no specialized training required for trades. With a precision bull-nosed profile this product is designed to work with any finished flooring material. T-STRAND Pro OSB Stair Tread is backed by Tolko's 50 Year Limited Warranty, making it the most advanced stair tread warranty on the market.
